During Christmas time, people usually have big meals, sing carols, make Christmas tree pretty in the living room, and send wishes to family and friends. Big meals are for family to get together, and the gifts under the Christmas tree are for family to open early on Christmas Day because Santa Claus comes with gifts on Christmas Eve. Usually, there is a star on the top of a Christmas tree because a new star in the sky means baby Jesus is born. The star is for the birth of Jesus Christ, and in tradition, only the master of a family can put the star onto the tree. Now, we say “Happy holidays!” more often than “Merry Christmas!” to have respect for different cultures.
