題組一：

Reading is an activity my family enjoy a lot in our free time. My dad likes reading the newspaper. He wants to know what is happening in the world every day. My mom enjoys novels. The stories in the novels touch her a lot. I like reading about the lives of great people. This always gives me a lot of ideas on how to make my own life better.

People always remember great people because great people didn't give up easily when their lives were difficult. They used every chance to change their lives and make the world better. One good example is Thomas Edison. His inventions made the world more comfortable. Hard work, not good luck, is the reason 3. Edison could invent so many good things and became one of the great inventors.

When I feel unhappy, stories of great people always cheer me up. Reading really brings lots of fun to my family.

Best Books of 2018

Top 1 <i>The Book of Greens</i>	Do you eat “greens” every day? Greens should be a part of every meal. “Greens” mean “the plants with green leaves.” They are very good because they are very healthy and delicious. Here are some reasons to think out of the salad bowl and begin cooking with your greens.
Top 2 <i>How Cycling Can Save the World</i>	If you want to write a book called <i>How Cycling Can Save the World</i> , people may ask: Okay, how does that work? This book tells you many ways to do it. You can learn about how and why cycling is a powerful way to save the Earth.
Top 3 <i>I Did My Homework in My Head</i>	As a junior high school teacher in New York City, I often heard kids say some bad things at school and many of them are written in my new book, <i>I Did My Homework in My Head</i> . These funny stories may make you laugh. In this book, you can learn about how young people think about their lives.
Top 4 <i>New Year Same Trash</i>	Do you always keep your New Year’s resolutions in mind? Well...I have to say: no. Maybe you still keep one or two, but it’s not easy at all. If you usually let your resolutions <u>fall by the wayside</u> or you give up your resolutions quickly, you don’t need to feel sorry about it. In this book, Samantha Irby tells us a few ways to keep our resolutions and make them come true.
