The earth is wearing red and green.  
Winter is gone; spring has come.  
The air smells fresh and sweet.  
The summer heat is not yet here;  
A little fox comes out to play.  
A bird is busy in a tree  
Waking a daisy from her sleep.  
Little daisy, little daisy,  
People call the flower the "day's eye."  
When she opens her eye,  
The springtime brings us cheer.

2.  There was a soldier...

6.  Doctor, how can I get out  
of my dangerous job?

9.  Really? Think about it. If you are  
crazy, you won't worry about your life.  
Then you would never think you should  
stop flying airplanes. If you ever think  
you should stop flying, it means that you  
worry about your life and that you're not  
crazy. If you are not crazy, you have to  
keep flying. You see, you're caught by  
Rule 22. You have no way out. You  
will still need to fly.  
Doctor

10.  Now people use "catch-22,"  
the name of Joseph Heller's

My family and I moved into our country house one month ago. The kids are planning to give a party at our new house. I hope all of you can come. The party will begin at 11:00 a.m. on Saturday. There will be lots of food and drinks.

Together with this letter is a map to our house. After you get off the train, take the road in front of the station. Follow it and you'll see a chicken farm. Don't make any turns. Keep going and you'll see a bridge. Cross the bridge and there will be a big tree on your left. Walk past the tree, take the first right turn, and then walk for five more minutes. You'll see several houses. My house is at the end of the road, next to the river.
